

Goal
Predict if a customer is likely to buy travel insurance using R/Python

Resources
computer, access to a library, study material

Constraints
1. Time

Schedule			
Task	Start Date	End Date	Status (Scheduled/In-progress/Done/Delayed)
Work plan	06-02-2024	06-02-2024	Completed
Mentor Session 1	16-01-2024	16-01-2024	Completed
Component 2	07-02-2024	07-02-2024	In-progress
Mentor Session 2	21-01-2024	21-01-2024	Completed
Component 3	08-02-2024	08-02-2024	Delayed
Component 4	09-02-2024	09-02-2024	Delayed
Mentor Session 3	04-02-2024	04-02-2024	Completed
Check if all the components are completed?			All components outputs ready, CV & video are ready?
Submit the Menternship			Check email for the feedback
Attend the Mentor session			Resolve any queries
Work on the feedback	12-02-2024	12-02-2024	Scheduled
